# International GTG / Steam-up

Saturday May 7<sup>th</sup> 2011, 10:00-17:00

# INVITATION

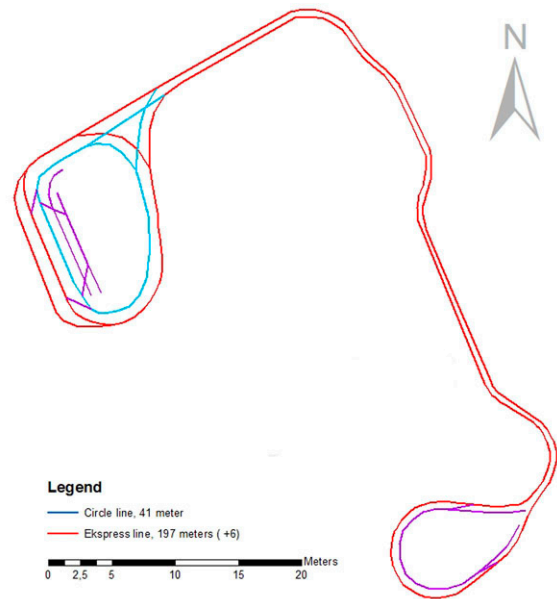

You are hereby invited to join us at the International GTG here at the Hotel Krogen Layout situated in Aalborg in the northern part of Denmark.

## The Krogen Layout

The layout consist of a double circle (each track is approx. 40 meters) connected to a folded bone. The folded bone and the outer circle gives a running distance of about 200 meters. All in all more than 330 meters of track. Typically 4 skilled drivers can run at the same time.

The layout is situated in a lovely enclosed garden.

You will surely enjoy seeing your engine running in our calm surroundings!

## Practical info

- Saturday May 7th 2011
- Running from 10 – 17
- Separate time slots for different scale. (30 min. or 45 min.)
- Appointed Track Steward
- Refreshments and food will be available (Danish pancakes, Champagne, Wine, Beer)
- Warm friendly International atmosphere

*The triangle connection between circleline and the express mainline.*

## How to get to the Krogen Layout, Denmark

Information about direct flights to Aalborg Airport (AAL):

- From London Gatwick with Norwegian. Cheap flights on Tuesday, Thursday and Sunday. (Price about 20-30 £)
- From Amsterdam Schiphol with KLM. Flights on Monday Tuesday, Thursday and Friday.
- From Copenhagen. Flights 2-3 times every hour all week. (takes 30-40 min., lots of cheap flights all week, from 30£ and up)

*The airport is approximately 7,5 km away from the hotel. We can arrange to come and pickup guests. The alternative is a taxi (about 14-20£)*

## Accommodation

Hotel Krogen is a very small hotel (only 12 rooms), but you are very welcome to stay here if we have rooms available. Our prices range from 480 DKK to 1100 DKK.

We can help finding other hotels or "Bed and Breakfast" in the area, and will try to negotiate a good price for you.

You are naturally welcome to stay for more days, than just the GTG. (the track is open for running all year)

*Looking forward seeing you here May 7<sup>th</sup>!*

Best Regards on behalf of the Danish G1MRA group
